

Iyad Abdel Afou Badran

Personal Information

Date of birth 6/3/1974
Place of birth Toulkarem
Marital Status Marriage
Nationality Palestinian

Work Address Palestine Technical University Kadoorie
College of Agriculture Science and Technology
Deir Elgusun – Toulkarem – Palestine

Home Address Phone: 0097292663882

Mobile: 0598934194

Email: ebd26@yahoo.com

Eyad.badran@ptuk.edu.ps

·Educational Qualifications

2004-2007 Czech University of Life Sciences – Prague – Czech Republic.

◆ Ph D. in Animal Science

◆ Institute of Tropics and Subtropics

- Control of Coccidiosis and Different Coccidia of Chicken in Selected

Technologies Used in Tropics and Subtropics

1999–2002 Jordan University - Amman – Jordan

◆ Master in Animal Science

◆ Faculty of Agriculture

- Replacing Soybean Meal with different levels of Sesame and Sunflower Meal with and without Animal Sources in the Diets and their effect on Performance and Cost of Broilers.

- ◆ Graduated: very good

1992–1996 Al-Najah National University - Nablus - Palestine.

- ◆ Bachelor's degree in Animal Production
- ◆ Faculty of Agriculture.

Graduated: very good

Experience and Qualification in Biotechnology

15.9.2005 : (Medipharm Company)

- 1- practical experience in production of probiotic supplements of animal nutrition, production of probiotic pastes for farm and PET animals, and production of powder forms of preparations.
- 2- Practical experience in company microbiological laboratory for detection and quantitative interpretation of counting of bacterial cells.
- 3- Theoretical knowledge about preparation and production of vaccine and immunoglobulin intended for animal nutrition and prevention of gastrointestinal disorders.

Work Experience

1996-1997 Ministry of Agriculture-Toulkarem – Palestine

- Supervisor

1997-1999 Arab Qatari Co. for Dairy production – Qatar

- Responsible for nutrition and manager for dairy farm.

2002-2003 Palestine Poultry Company –Toulkarem – Palestine

Responsible for nutrition in poultry company.

2002-2003 Al-Quds Open University –Toulkarem- Palestine

Lecture in subject of zoology.

2008 – 2018 National agriculture Research Center-Jenin-Palestine-Researcher and director of the department of animal research and health (Concerned about the utilization of by product in Palestine for improving animal farmers livelihood by decreasing the cost of feeding)

2008- 2018 Al-Quds Open University – Jenin – Palestine –

Lecturer in the subject of animal nutrition and zoology, microbiology

Lecturer in the subject of farm management, genetic and physiology

2018-Until now Palestine Technical University Kadoorie
College of Agriculture Science and Technology

Trainig programme

Training on ruminant fed production for Palestinian -3-14 September , 2012, serdag, Malaysia

Training on participatory approach between extension and research , 2010 , Jordan

Computer Skills

- Internet, Microsoft windows, Word, PowerPoint, etc

Languages

- Arabic: "Mother tongue"
- English: Reading, Writing, Conversation
- Czech : Reading , Writing, Conversation
- Hebrew: Reading, Writing

Interest

- Computers, Swimming, Reading , License, Football, Traveling

Plan of PhD Study

Course Title	Marks
English	Very good
Poultry Husbandry	Very good
Information Technology	Very good
Animal Physiology	Excellent

Animal Husbandry	Excellent
Management	Excellent
Zoohygiene and Prevention	Excellent
Processing and Storage Animal Origin	Excellent
▪ Animal nutrition	Excellent
