

Abdullah Fathi Eid
Jeensafout, Qalqilia,
Palestinian Authority
Phone #: 00972-9-2998035 (H).
Email: abed_eed@yahoo.com

Place and Birth Date : Jeensafout , 16 / 12 / 1972
Marital Status : Married
Language : Native : Arabic
English : Very Good

EDUCATION:

Ph.D. in Chemistry June 2014
University of Moloud Mammeri –Tizi Ouzou , Algeria
Thesis : Dehydrocyclization of n-Hexane over Heteropolyoxometalates
Catalysts

M.S. in chemistry April 1999.
An_Najah National University, Nablus , Palestinian Authority
Thesis: spectrophotometric detrmination of nitrite and nitrate using
phosphomolybdenum blue complex

B.Sc. in chemistry August 1995.
An_Najah National University, Nablus , Palestinian Authority

Al_Tawjehe Certificate august 1991
Azzoun High School,Azzoun-Palestine

TEACHING EXPERIENCE:

Faculty member (part-time) March 2015
Al-Quds Open University - Qalqilia

Supervisor of science Dec 2002 up to now
Ministry of Education ,Qalqilia ,Palestinian Authority

High-school science teacher Aug. 1996 – Jul. 2002
Azzon High School, Qalqilia, Palestine.

HONORS AND DISTINCTIONS

- Received Al_Hijjawi Award for the best research publication on the environment. in Palestine and Jordan. Award was presented by the Hisham Adeeb Hijjawi Foundation.
- Publication in 2013 acknowledged by the publishers as one of the most viewed and downloaded publications in 2013.

LIST OF PUBLICATIONS

- Abdellah Eid, Ouarda Benlounes, Hikmat S. Hilal, Cherifa Rabia, Smain Hocine, Dehydrocyclization of n-Hexane over Heteropolyoxometalates Catalysts, Advances in Chemical Engineering and Science, 2013, 3, 82-92.
- Nidal A. Zatar ,Maher A. Abu_Eid, Abdullah F. Eid ,spectrophotometric detrmiation of nitrite and nitrate using phosphomolybdenum blue complex,Talanta 50(1999) 819-826 .
- Participation in the 5th Palestinian International Chemistry conference with a paper , Preparation and Characterization of Heteropolyoxometalates Catalysts, 2011 An Najah National University .

LEADERSHIP AND SPECIAL ACTIVITIES

I constructed and lead several dozens of workshops aimed at developing middle and high-school curricula and training school teachers. Some of these workshops were at the national level and some were at the district level. Examples are:

National Workshops

District-level Workshops

Chair of Exam Gradin

In addition, I attended many workshops aimed at career and curricular development.

*حصلت على جائزة افضل بحث في البيئة في المملكة الأردنية و فلسطين من مؤسسة هشام أديب حجاوي العلمية
* شاركت في العديد من الدورات التربوية و العلمية في مجال التربية و التعليم .
