Highlights of Qualifications

- Twelve years teaching experience in Palestine Technical University
- Master program graduation with rating Good and with Thesis rating excellent (1.3)
- Bachelor program graduation with 3.8 out of 4 rating Excellent .
- General Secondary Education Examination -Scientific Stream with 94.3%

RESEARCH

My principle research interests lie in the field of Optical Fiber Communications . In my master thesis I have developed an RF based system for Automotive Applications with analysis of the propagation of RF signals .

I supervised some undergraduate, graduation projects in Communication Engineering like (Radiation of Mobile base stations in Tulkarem) ,(Swimmer Rescuer System Based on Heart Alarm) , etc .

My future research plans are built on developing Optical Fiber communication System components to achieve a higher performance of such components

TEACHING EXPERIENCE

Full Time Lecturer in Communication Engineering Department , Palestine Technical University 2005-2018

Research Assistant Ulm University – Germany 2000-2001

EDUCATION

Master (M.Sc): in Communication Technology ,Ulm University –Ulm , Germany. 1999-2002

B.Sc. : with a major in Phsics and minor in Mathematics , Yarmouk University - Irbid , Jordan ,1994-1998

GIVEN COURSES

Transducers and Sensors , Sensors lab ,Electromagnetics , Electromagnetic Compatibility EMC , Optical Fibers ,Optical Communications , Digital Communication lab , Analog Communication lab , Electrical Measurements , Antennas and wave propagation ,Coding and measurement lab

TECHNICAL SKILLS

Matlab , C/C++ . Microsoft office (word , Excel and Power Point) .

I attended some Engineering professional workshops .
