

# Curriculum Vitae

## **i. Personal Information**

**Name:** Dana Ibrahim Younis

**Nationality:** Jordanian

**Language:** English, Arabic

**Marital status:** Single

**Address:** Tulkarm, West Bank, Palestine

**E-mail:** [d.younis@ptuk.edu.ps](mailto:d.younis@ptuk.edu.ps)

## **ii. Education**

### **Master of Science in Architectural Engineering:**

**Date:** 2010 to 2013

**University:** United Arab Emirates University

**Major:** Building science

**Thesis title:** Comparative Pedestrian Visibility Under Solid State LED Sources.

### **Bachelor of Architectural Engineering:**

**Date:** 2003 to 2009

**University:** United Arab Emirates University

## **iii. Awards**

The best academic research category in the 5th edition of the Dubai Award for Sustainable Transport 2012, initiated by the Roads and Transport Authority (RTA).

## **i. Certifications**

- NEBOSH International General Certificate in Occupational Health and Safety
- ECITB – International Health & Safety Passport – SUPERVISOR
- ECITB – International Health & Safety Passport – ADVANCED
- ESL Certificate (English as a Second Language)
- IC3 Certificate (Internet & Computing Core Certification)
- International Computer Driving License (ICDL) Certificate

#### **iv. Courses and Conferences attended**

- PMP Project Management Professional training
- Primavera (Project Management) software training 2012
- Minitab (Statistical) software training 2011
- Occupational Health and Safety training
- LEED GA training
- Abu Dhabi urban planning council training in Estidama Pearl Rating System (PRS)
- Assessor training
- TESMC course
- Time management training
- Personal Productivity and Stress management training
- E-Learning: Technology & Apps for Teaching
- Level 5 Composite Award in Assessing Learners course
- Ansys Fluent workshop 2012
- World Future Energy Summit (WFES) 2011
- World Future Energy Summit (WFES) 2010
- GTX Education October 20, 2015
- Light Middle East 2015

#### **ii. Working experience**

- Lecturer, Palestine Technical University- Khadoorie, From 05 March 2016 until now
- Designer, Mansour Consulting Engineering Office, From 01 October 2016 until 05 March 2016 (full time)
- Lecturer, Al Jaheli Institute for Science and Technology, From 29 December 2013 until 31 July 2016 (full time)
- Lecturer, Al Jaheli Institute for Science and Technology, From 15 September 2013 until 19 December 2013 (Part time)
- Architectural Engineer, ARCO Engineering, From 01 February 2010 to 30 November 2013 (full time)
- Architectural Engineer, EBLA Engineering Consultant, 6 months (full time)

#### **iii. Membership of Organizations/associations**

- Engineers Association - Palestine
- Palestine Higher Green Building Council
- UAEU Society of Engineers
- Institute of Electrical and Electronics Engineers (IEEE)

#### **iv. Publications**

- Saraji R., Younis D., Madi M., Gibbons R., “The Effect of Oncoming Car Headlights on Pedestrian Visibility”, Proceedings of CIE conference, Paris, France, 2013
- Saraji R., Younis D., Madi M., Gibbons R., “Pedestrian Visibility at Night: The Effect of Solid State Streetlights”, Lighting Research & Technology 48 (8), 976-991
