

# Curriculum Vitea

Name : Mohanna Mohammad Ahmad Ebaid

Date of Birth: 21-03-1966

Place of Birth : Kufir-Rai, Jenin, Palestine

Residence Address: Kufir\_rai , Jenin , Palestine

Email :mobeid@[khadoury.edu.ps](mailto:khadoury.edu.ps)

Working Address: Palestinian Technical College ,Khadouri-Tulkarm, Tulkarm, Palestine

Tel: 09-2671026

Fax : 09-2677922

## Certificates :

- B.Sc in mechanical engineering, specialized in thermal power with very good average Jordan University of Science and Technology JUST, Jordan 1989.
- M.Sc in the same specialization and from the same university 1992 with a very good average, theses title : experimental and theoretical study on a subsonic ramjet engine

## Training Courses :

- 1- Entrepreneurship and project management for one month in Haifa sept. 1997
- 2- Vocational training in German institutes for two weeks, Frankfurt Germany, October 1999
- 3- Advanced Heating And Air-Conditioning Systems for two weeks, Germany august 2000.
- 4- Computer Aided Design Technology and CNC for one month in R. of South Korea march-febr. 2005
- 5- Many training courses in the field of vocational training and developing curriculum
- 6- Fluid mechanics training course in lap-teq. Company, England 2012

## Experience and Employment History :

- 1- Teaching Assistant in JUST for three years, during my graduate study 1989-1992, and the teaching courses were :  
Computer skills, Measurements lab., thermodynamics, air-conditioning and ventilation, internal combustion engines and strength of material lab. .
- 2- Air-conditioning engineer in the national company of manufacturing oxygen and other gases, 1992-1995 , Palestine
- 3- Director of the Palestinian association for vocational training ,PAVT, 1995-1998, Jenin , Palestine
- 4- Head of electrical engineering department and mechanic lecturer in Palestinian Technical College Khadouri-Tulkarm, Palestine

## **Present Work**

Mechanic lecturer in Palestinian Technical university Khadouri-Tulkarm, Palestine since 2001

**Teaching Subjects** : Static, Dynamics, Thermodynamics, Engineering workshop, Fluid mechanics, Heat transfer, Engineering Drawing, Properties of materials, Engineering mechanics for electrical engineers, Theory of machines, Heating and air-conditioning

## **Other Skills and Activities:**

- Good command of English
- Good command of computer Microsoft office software
- Member in Jordanian and Palestinian engineering association
